## **Introduction**

This booklet provides a list of ODS Advantage network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the ODS Advantage Comprehensive Formulary. If you have additional questions, please call our Pharmacy Customer Service at 1-888-786-7509, from 7 a.m. to 8 p.m. Pacific time Monday through Sunday. TTY/TDD Users should call 1-800-433-6313. Or, visit [www.odscompanies.com/odsadvantage](http://www.odscompanies.com/odsadvantage).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by ODS Advantage. In most cases, your prescriptions are covered under ODS Advantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
